Inspection Checklist for 2017 NEW HOLLAND C232

General Information:

- **Model:** 2017 New Holland C232
- **Hours:** 1,202
- **Engine:** 74 HP Diesel
- **Hydraulics:** Standard Flow
- **Controls:** Foot Controls
- **Quick Attach:** Power Quick Attach
- **Tracks:** Very Good Condition
- **Backup Camera:** Present and Functional
- **Operating Capacity:** 3,200 lbs
- **DEF:** Not Equipped (No DEF)

Engine & Performance:

- **Engine Inspection:** Engine operates smoothly with no unusual noises or vibrations. Fuel system functioning as expected.
- **Coolant Levels:** Within the recommended range. No signs of leaks.
- **Air Filter:** Clean and free of debris. No visible damage or excessive wear.
- **Exhaust System:** No leaks or unusual buildup. Exhaust components intact.

Hydraulic System:

- **Hydraulic Fluid:** Fluid levels are within the recommended range. No visible leaks detected.
- **Hydraulic Hoses:** Inspected for wear and leaks. No signs of damage or leakage.
- **Hydraulic Cylinders:** Fully operational. No signs of leakage or damage.
- **Loader Arms:** No visible cracks, bending, or deformation.

Tracks & Tires:

- **Tracks:** In very good condition with excellent tread. No signs of wear or damage.
- **Tire Pressure:** (If applicable). Tire pressure within manufacturer specifications.
- **Track Tension:** Properly adjusted with no slippage or excessive wear.

Loader & Boom:

- **Loader Arms:** No excessive wear or damage. Smooth operation with no unusual movement or noises.
- **Boom:** Inspected for cracks or structural integrity. No issues found.
- **Lift Capacity:** Loader operates within rated capacity. No issues with lifting performance.

Operator Controls & Cab:

- **Controls:** Foot controls are fully responsive with no issues or resistance.
- **Backup Camera:** Fully operational with clear image quality.
- **Operator Safety:** OROPS structure is intact, and all safety features function properly.

Electrical System:

- **Battery:** Fully charged with no signs of corrosion. Connections are secure.
- **Lights & Signals:** All exterior lights and signals function correctly, including hazard lights and backup lights.
- **Fuses & Wiring:** All fuses in good condition with no visible damage to wiring.

Other Systems & Features:

- **Quick Attach:** Power quick attach functions correctly with no binding or excessive play.
- **Fuel System:** Fuel lines are intact with no leaks. Fuel filter is clean and replaced regularly.
- **Exterior Condition:** The machine has a well-maintained exterior with no visible damage or excessive wear on the body.

Condition Summary:

The **2017 New Holland C232** is in **very good condition** with minimal wear. All critical systems, including hydraulics, engine, and tracks, are functioning properly. No major repairs are needed at this time. The machine has been well-maintained, with only minor wear consistent with its usage.
